

VOLUNTEERS INVITED TO ASSIST WITH INTERNATIONAL WOMEN'S EFFORTS

Zonta Club of North Sydney Breakfast is hosting a birthing kit assembly day and is on the hunt for new volunteers to join and take part.

By engaging the community, the club assembles several hundred kits to provide a safe childbirth for mothers in developing countries. They are then distributed by The Birthing Kit Foundation Australia which arranges shipment to developing countries through the international aid unit at DFAT.

Zonta International is a women's organisation that promotes women's issues locally and internationally. On a local level, the Zonta Club of North Sydney Breakfast (ZCNSB) comprises a group of women who meet once a month to work on projects, providing much-needed items for women and girls in developing countries.

Through its advocacy programs, ZCNSB supports the NSW coalition, Keeping Women out of Prison, and participates in local advocacy initiatives. ZCNSB is also a member of the North Shore Domestic Violence Network.

The event takes place Saturday, March 7 from 4-7pm. The Zonta venue is at the North Sydney Community Centre, 220 Miller Street (behind the Stanton Library). Volunteer information: please call Linda Bisnette (0423 199110).
