## Birthing Kit Assembly Day

**When: Saturday 21 October 2023**

**1:00 – 4:00 p.m.**

**Where: North Sydney Community Centre  
220 Miller Street, North Sydney  
(At the back of the Library and Park)**

**Donation: \$5.00 (Cost of one Birthing Kit)**

This event is in conjunction with the Birthing Kit Australia Foundation and with the support of the North Sydney Community Centre

Every day thousands of mothers give birth without the basics to provide a hygienic environment. These simple birthing kits provide materials to help reduce the incidence of infant and maternal mortality. We have **800** kits to pack.

We ask participants to stay home if feeling unwell. Hand sanitiser will be provided and you may wear masks if desired.

**Registration required. Register at:**

**Zonta Club of North Sydney – Anne Maree – 0447 291 011 (or email  
annemaree.gleeson@gmail.com)**

**OR CALL**

**North Sydney Community Centre – 02 9922 2299**

If you have already registered at the Centre, no need to register again.

Please note that because hygienic procedures need to be followed, children under 12 are not allowed and there is no babysitting facility. You will be notified of any changes to the event.
